1. introduction

1.1. This Safer Recruitment Policy has been produced in line with the DfE guidance 'Keeping Children Safe in Education (2025). This policy aims to ensure a safe and fair recruitment and selection is conducted at all times. Safeguarding and promoting the welfare of children and young people is an integral factor in recruitment and selection and is an essential part of creating safe environments for children and young people.

2. Recruitment and selection policy statement

- 2.1 Comper Nursery School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share in this commitment.
- 2.2 Comper Nursery School is committed to attracting, selecting and retaining employees who will successfully and positively contribute to providing a valuable service. A motivated and committed workforce with appropriate knowledge, skills, experience and ability to do the job is critical to the school's performance and fundamental to the delivery of a high-quality service.

3. Purpose

- 3.1 To ensure the recruitment of all staff is conducted in a fair, effective and economic manner.
- 3.2 To achieve this purpose, those that are responsible for each stage of the recruitment process will demonstrate a professional approach by dealing honestly, efficiently and fairly with all internal and external applicants.

4. Scope

- 4.1 This policy applies to all the school employees and governors responsible for and involved in recruitment and selection of all staff.
- 4.2 The ultimate responsibility for recruitment and selection lies with the Governing Body. The Governing Body has delegated the responsibility to the Headteacher for appointing all staff.

5. Aims and Objectives

- 5.1 To ensure that the safeguarding and welfare of children and young people takes place at each stage of the process
- 5.2 To ensure a consistent and equitable approach to the appointment of all school staff.
- 5.3 To ensure all relevant equal opportunities legislation is adhered to and that appointees are not discriminated against on the grounds of race, nationality, gender, religion, age, disability, marital status, sexual orientation.
- 5.4 To ensure the most cost-effective use is made of resources in the recruitment and selection process.

6 Principles

o. i the lollowing principles are encompassed in this policy:

- All applicants will receive fair treatment
- All applicant packs will include a job description detailing the post holder's responsibilities for safeguarding.
- Employees will be recruited on the knowledge, experience and skills needed for the job
- Selection will be carried out by a panel with at least two members. At least one panel member will have received appropriate Safer Recruitment Training as recommended by the OSCP.
- Selection will be based on a minimum of completed application form, short listing and interview, but, whenever possible, involve other assessments.
- Posts will normally be advertised on our school website and the advert will include reference to the school's commitment to safeguarding and promoting welfare of children and young people.
- The Equality Act makes it a requirement to make reasonable adjustment to the recruitment process if an applicant makes the employer aware that they have a disability. This applies to the entire recruitment process, from advertisement to appointment.

7. Equal Opportunities

7.1 Comper Nursery School is committed to providing equality of opportunity for all and ensuring that all stages of recruitment and selection are fair. Recruitment and selection procedures will be reviewed on a regular basis to ensure that applicants are not discriminated against on the grounds of race, nationality, gender, religion, age, disability, marital status, sexual orientation.

8. Safer Recruitment – Recruitment and Selection Training

8.1 It is a requirement that at least one member of the interview panel has completed OSCP approved Safer Recruitment Training prior to the start of the recruitment process. The following staff have received Safer Recruitment Training: The Headteachers and The School Business Manager

The following Governors have completed Safer Recruitment Training: The Chair of Governors

9. Pre-recruitment Process

9.1 Objective

- 9.1.1 The objective of the recruitment process is to attract, select and retain staff who will successfully and positively contribute to the future development of the school. The first experience an individual has is important; therefore, the experience should be positive and all those responsible for recruiting will:
 - Leave a positive image with unsuccessful applicants
 - Give successful applicants a clear understanding of the post and what is expected of them
 - Take reasonable actions to reduce the risk of a bad selection decision recognising the potential cost and the school's commitment to safeguarding children and young people.

v.∠ Application Form

9.2.1 A standard application form will be used to obtain a common set of data from all applicants. The application form will be adapted for different posts but will always include key information on safeguarding. As such, candidates must provide information on employment history and if appropriate adequately explain the reasons for any gaps. The candidates must complete, sign and date the declaration and follow instructions regarding the appropriate disclosure of relevant criminal convictions.

9.3 Job Description and Person Specification

9.3.1 A job description and where applicable a person specification will be issued for all posts. In the case of volunteers this will include a volunteer role profile. The job description/volunteer role profile will have a clear reference to an individual's responsibility to safeguard children and promote their welfare.

9.4 Criminal Self-Disclosure

All short-listed candidates will be asked to complete a self-disclosure form with their invitation to interview. Please see Appendix 2 for further guidance.

9.5 References

- 9.5.1 The purpose of seeking references is to obtain objective and factual information to support appointment decisions. They will always be requested directly from the referee using the standardised school form.
- 9.5.2 References will be sought on all short-listed candidates and will be obtained, where possible, before interview so that any issues or concerns they raise can be explored further with the referee, and/or taken up with the candidate at interview.
- 9.5.3 The school will take reasonable steps to verify references received electronically, this could include telephoning the referee.

9.6 Online Search

As advised in KCSIE, an online search will be conducted for all shortlisted candidates and relevant incidents/issues that are publicly available on-line could be explored at interview with the candidate. Schools and colleges should inform shortlisted candidates that online searches may be done as part of due diligence checks.

10. Interviews

10.1 The interview will assess the merits of each candidate for the post, including at least one question exploring their suitability to work with children and young people. The selection process for people who will work with children and young people will always include a face-to-face interview even if there is only one candidate.

10.2 Interview Panel

10.2.3 Where a candidate is known personally to a member of the selection panel this will be declared before shortlisting takes place. It may then be necessary to consider changing the selection panel to ensure that there is no conflict of interest.

^{**} The DfE does not issue guidance on which circumstances require these overseas checks, stating that it is for schools to determine. However, with effect from 6th April 2017 the Home Office confirmed that an overseas criminal check will be completed for everyone in an education role applying for a visa to work in the UK.

The requirement is mandatory to applicants from overseas applying under certain Standard Occupational Classification (SOC) codes, including teaching and school leadership. The requirement to provide an overseas criminal record certificate applies to anyone that has lived abroad for 12 months or more in the last 10 years. From April 2017 schools have a statutory duty to inform Tier 2 skilled worker applicants of the need to source and submit overseas criminal certificates as part of their visa application. You can find an FAQ document about obtaining overseas criminality information here: Obtaining Overseas Criminal Record Checks
